TRIDENT SOLUTIONS

Our industry is deeply rooted in connections. It's because of this that we decided to focus on creating an opportunity where we could all collaborate & cultivate relationships.

With that in mind, we held our first event in April; **CONNECT, 2024 HUDDLE**.

The perfect blend of valuable presentations and customer interactions. We even added in an after-party where we could all share space and take a collective breath. It was a blast and we are already looking forward to plans for next year. THANK YOU to all that attended and presented. You are the reason this event was a success!!
